LB 486

we were debating the substance of 486, Senator Murphy felt that this was needed as an amendment, so any aid going back to the counties that would be distributed by the County Superintendent would be applied against the county-wide nonresident tuition fee, and I am acceptable to that amendment and that is why I offered it and I ask for the adoption of the amendment.

SPEAKER MARVEL: The motion is the adoption of the Koch amendment to 486. Is there any further discussion? All those in favor of that motion vote aye, opposed no. Record.

CLERK: 30 ayes, 0 nays on adoption of Senator Koch's amendment.

SPEAKER MARVEL: Senator Koch's amendment is adopted. Are there any other amendments to the bill?

CLERK: Yes, sir. Mr. President, Senator Lamb has an amendment, page 1478 of the Journal.

SENATOR LAMB: I withdraw it.

CLERK: Senator Lamb wishes to withdraw it, Mr. President.

SPEAKER MARVEL: So ordered. Any other amendments?

CLERK: One final one. Senator DeCamp has an amendment, Mr. President.

SENATOR DeCAMP: I am going to hold up on mine. I won't offer it. I will tell you what it does. It just...because you might want to do it one of these days, it just gives the same distribution as last year on the 55 million. It says there is 55 million. Instead of new formulas, old formulas, revaluations, forget everything. You give everybody what they got last year and figure out what we are going to do next year when we get back here. We are going to have to redo the system. I don't think it will go at this time. But I think they are going to be begging for it before it's done.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Mr. Speaker, I move....

SPEAKER MARVEL: The motion is withdrawn.

SENATOR KOCH: Mr. Speaker, I move that LB 486 as amended be advanced to E & R Final.
